# Just As Promised.

## **David Cashman** **Healed Spinal Condition**

As a teenager, David developed lower back pain. His condition grew worse and by the time he was 21, he was in constant agony. X-rays showed David had Scheuermann's Disease attacking his spine, and was told it would continue to worsen until he was unable to walk. He came to a Revival meeting and was baptised by full immersion and received the Holy Spirit. Friends from church told him of God's amazing promise to heal and they prayed for his back. The very next day he woke up completely healed and has been able to lead an active lifestyle free of back pain ever since.

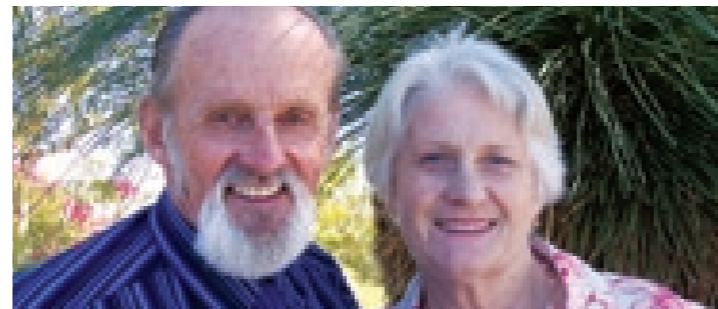

## **Pat Burdett** **Delivered from Drug Addiction**

Pat suffered from alcoholism and spent up to \$800 a day on drugs before she found the Lord fifteen years ago. Pat had tried to give up the habits on her own without success. When she heard about the Lord and his promise of healing, she decided to put God to the test. She was baptised and received the Holy Spirit with the evidence of speaking in tongues. "God performed a miracle that day and freed me from the chains of my addictions. The experience has changed my life."

## **Joan and Len Evans** **Healed Marriage**

Joan and Len's lives were heading for disaster. They had both battled alcoholism for many years and their marriage was deteriorating. In their mid-forties, at a time without hope, they received an invitation to a Revival meeting. They followed God's instructions in the Bible, were baptised and filled with the Holy Spirit. They were delivered from alcoholism and later received other healings from whiplash, stress, high blood pressure, kidney infections, spinal collapse and angina. Their marriage has also been healed by the miraculous power of God.

## **Daniel Clayton** **Healed from Anxiety**

Daniel suffered from acute social anxiety for many years. He found it difficult to interact with people and had become withdrawn. Being baptised and filled with the Holy Spirit, he decided to pray for a healing. Gradually, things started to change. Before long, he found he was able to approach people and talk to them, something he hadn't been able to do. Daniel now finds public speaking easy. "The Lord has given me direction and purpose in life!"
